Description

In order to maintain the highest level of safety and security at the 2010 Ontario Winter Games, a protocol for the management of a lost or missing child needs to be established.

Policy

In a case when a child has been reported lost, the "Procedure for the Report of a Lost Child - "CODE ADAM"" will be adhered to.

Further to those individuals referred to in the "Procedure for the Report of a Lost Child - "CODE ADAM"" the Chair of Security will be immediately notified by the Venue Manager and/or the Community Medical/Security coordinator(s).
